

## Writing

Writing this term will be based on our China topic, as we learn to write reports and explanations about aspects of the country such as the fascinating traditions, landmarks and history. In our fictional writing we will look at some Chinese stories as well as the story of the willow pattern plate (but is this a Chinese story?).

## Reading

We will continue to group read this term however, alongside class texts, it is expected everyone will be reading a fiction book that is brought into school every day. This may be borrowed from school or come from home but it should be at a level that your child can comfortably read and understand independently.

## PHSCE

This term we will focus on our themes of friendship and teamwork. We will also be finding out about medicines and health.

## PE

Year 4 will have dance on Wednesday afternoon and PE on Thursday afternoon. Year 5 will have PE on Monday afternoon and Forest School on Thursday afternoon.

## Investigator Class

### China

### Term 3 2020

Our topic this term is China.

We will be finding out about this fascinating country; starting to explore the geography, history and culture to which our culture owes so much.

## French

In French this term, Investigator will learn to introduce themselves to others in French and to have a short conversation about their age and family.

## Music

This term Year 4 will be learning to play the clarinet and Year 5 will be learning the ukulele.

## Art

The children will be looking at traditional Chinese art and learning the fine art of calligraphy.

## Science

Our topic is rocks and we will be finding out how rocks form, grouping them together based on their appearance and properties and finding out how soil is formed.

## R.E.

This term we will be learning about inspirational people from different faiths.
