

# FONS

## END OF YEAR NEWSLETTER

A fond farewell to Helen May our Treasurer for the last 3 years! We are so grateful for all that you have done Helen - you will be missed.

Please welcome Martin Offwood - he will be taking on the role of Treasurer in September!  
Thank you Martin!

## THANK YOU FROM FONS

Can it really be the end of this academic year already? What an action packed year it has been! Our aim has been to provide something for everyone this year with new events pulling in people from the wider community too.

Nettlebed School is a community and we have a shared interest in our children's academic and social wellbeing - as such we are all members of FONS and whilst there is a core committee we need help and support from all of the families at the school to enable us to keep going with the fundraising and provide your children with all of the extras that we can.

Key events this year were:

The Colour Run raising £1082  
Christmas (cards, present room, hampers) raising £1295  
Moonlit Walk raising £599  
Easter Egg Hunt raising £683  
The Summer Fete raising £1995  
Class Produce Sales raising £551

With a combination of a few other events and parent donations this year we have raised £8660!

This is totally amazing! - thank you so much for all of your help and support.

\*we are still waiting to hear how we got on with the Tesco Token scheme

## Where does it go?

All the benefits from this hard work goes straight back into improving the facilities, education and experiences of our children. This year we have contributed funds to the development of the All Weather Pitch (AWP) which will allow the children to access this sports facility all year around. In addition, FONS has bought three new Interactive whiteboards adding a welcome update to the schools technology resources. We have also bought teacher resources such as magazine and Computer subscriptions.

A real highlight of this year has been the visitors and topic resources that have helped to engage the children in their learning. FONS has been very proud to be able to contribute funds to these events that help deepen the children's learning.

We are looking forward to a summer of rest but next year is proving to be just as action packed as this one has been. FONS relies on all your help as members. We would greatly appreciate your time to help volunteer at the various events throughout the year. Your continued patronage at these events is also greatly appreciated.

I wish you a peaceful summer break.

Kind regards,

Please  
continue to  
support  
these  
fundraising  
events - we  
can't do it  
without you!
