Headteacher: Mrs Bethany Greenwood

24th February 2020

Dear Parents and Carers,

Welcome back after the break and I hope you all had a relaxing time with your families.

This term our topic is 'Crime and Punishment'. We will be finding out about how different time eras dealt with crime and what punishments ensued. Please see the following page for an outline of the topic.

P.E. days continue the same since last term. Year 5 and 6 will have P.E. on Mondays and Thursdays; so P.E. kit will need to be worn as before. Year 5 have P.E. on Monday afternoons and Forest School on Thursday afternoons. They will need to bring PE kit in on other days if they are doing sports clubs.

This term, maths homework is given every Thursday to be returned the following Thursday. Spellings will be tested on Thursday. The spellings will be on the website and in your child's planner.

If you have any questions or wish to meet with myself, then please arrange a time either through Mrs Sedwell in the office.

Best wishes,

Mrs Wyatt

Writing

This term the writing will have a variety of non-fiction and narrative opportunities.

We will be writing about aspects of our topic and having fun using our imagination to create interesting reading.

Reading

We will be looking at stories associated with crime and punishment. There will be regular sessions of reading comprehension to further our understanding of how authors help us enjoy stories and practice how to 'read' pictures, to infer and give us greater understanding.

PHSCE

This term we will focus on rules and law and why they should/should not be there. We will asking questions about what is right or wrong and what are morals.

PE

P.E. for Y5 and 6 is on Monday and Thursday. Year 5 will have P.E. on Monday afternoon and Forest School on Thursday afternoon.

Endeavour Class

Crime and Punishment

Term 4 2020

Our topic this term is Crime and Punishment.

What is Crime and what should be the punishment?

We will be studying how different eras of history regarded crime and what they thought was appropriate punishment.

We will be thinking about what is 'wrong' and 'right' according to the time in history.

Music

This term we will be continuing learning the ukulele and understanding rhythm, pulse, beat and musical notation.

Art

We will be looking at Chinese art in more detail and practising techniques learnt from last term. (This is because we spent time at our residential trip.)

Science

Our topic is electricity. We will be making simple circuits and problem solving why they work (or not) and learning about electrical symbols.

R.E.

This term we will be looking at Christianity and the miracles of Jesus.
